1. Statement of Larne High School Policy

1.1 Larne High School is committed to the Health and Safety of both its staff and pupils and will take action to safeguard their well-being.

1.2 Larne High School acknowledges the importance of its pastoral role in the welfare of young people, and through the School's Pastoral System will seek to promote the development of:

- skills to enable pupils to cope with adolescent concerns and make informed and responsible choices.
 - pupil autonomy through the encouragement of self-discipline, self-awareness and the acquisition of appropriate personal and social skills.
 - a school ethos that inspires confidence in the quality of teacher/pupil relationships and which values the full range of guidance and pastoral care provision relevant to pupil needs.
3. The school encourages parental involvement and seeks to educate parents of the school's policy with regard to drugs and substance abuse.
4. The Board of Governors supports a policy that forbids all pupils (no matter what the legal position states) from smoking, drinking alcohol or partaking of drugs within the school premises, whilst travelling to or from school, whilst in school uniform, whilst taking part in any school organised activity or travelling to or from such school activity, or participating on educational trips (as defined in the school's Educational Visits Policy). Possession of cigarettes, alcohol or drugs will be taken as an indication of a breach of these rules.
5. In any case of suspected drug misuse among pupils in school, the Chair of the Board of Governors and PSNI must be informed. Furthermore, the incident must be reported to the Designated Officer for Child Protection within Education Authority.
